Use Case: "Big Four" accounting/audit firms - statistics & facts

Services > Business Services

"Big Four" accounting/audit firms - statistics & facts

The term Big Four, in relation to auditing and accounting, refers to the four major professional services networks specializing in accountancy and professional services. These firms are Deloitte, PricewaterhouseCoopers (PwC), Ernst & Young (EY), and KPMG. The Big Four firms serve as auditors to the majority of publicly traded companies and also deal with a number of private companies. In recent years, they have branched out into the [outsourcing of public services](#) in some countries, including consultation on government responses to the COVID-19 pandemic. The [combined revenue of the Big Four](#) was almost 190 billion U.S. dollars in 2022.

Briefly explained: Statistics

Use Case: [Number of apps available in leading app stores as of 3rd quarter 2022](#)

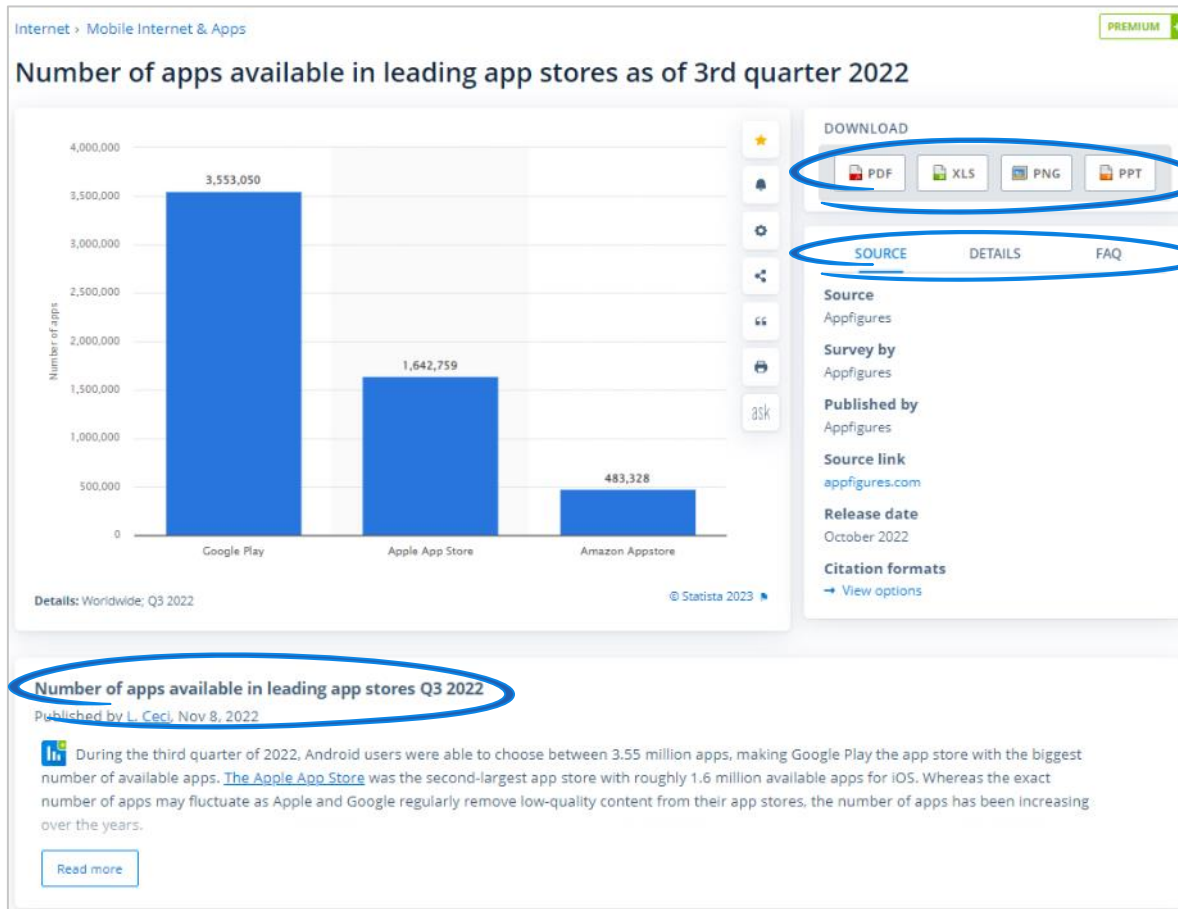

Let's discover together the functions of statistics, forecasts as well as surveys.

You can find all statistics in the top bar as well as through the search bar on the homepage. You can then use the filter functions to sort your search results, for example to display only statistics.

The screenshot shows the Statista homepage. The top navigation bar includes the Statista logo, a user account indicator, and links to Statistics, Reports, Insights (marked as NEW), Daily Data, and Services. On the right of the navigation bar are icons for email, a refresh symbol, a star, and a link to My Account. Below the navigation bar, on the left, is a vertical list of industries: All Industries, Consumer Goods & FMCG, Internet, Media & Advertising, Retail & Trade, Sports & Recreation, Technology & Telecommunications, Transportation & Logistics, and Travel, Tourism & Hospitality. The main content area is divided into sections. The 'MOST-VIEWED STATISTICS' section lists several statistics, with the third item, 'Number of apps available in leading app stores Q3 2022', circled in blue. Other statistics listed include Facebook's MAU, smartphone market share, OPEC oil price, and the Big Mac index. To the right of this section are links for 'Recent Statistics' and 'Popular Statistics'. Below the most-viewed statistics is a 'TOPICS' section with links for 'Smartphones - statistics & facts' and 'Social media - Statistics & Facts'. On the far right, there is a 'TOP REPORT' section featuring a report titled 'DIGITAL & TRENDS E-commerce worldwide 2023' with a 'View Report' button and a link to 'Industry Overview'.

Briefly explained: Statistics

Use Case: Number of apps available in leading app stores as of 3rd quarter 2022

Download

You can download the data **as PDF, XLS, PNG as well as PPT**. Simply work with the raw data or get different editing options through the PPT.

Tip: Did you know that you can deposit your slide master and that each download is carried out **in your own design**? Feel free to contact us!

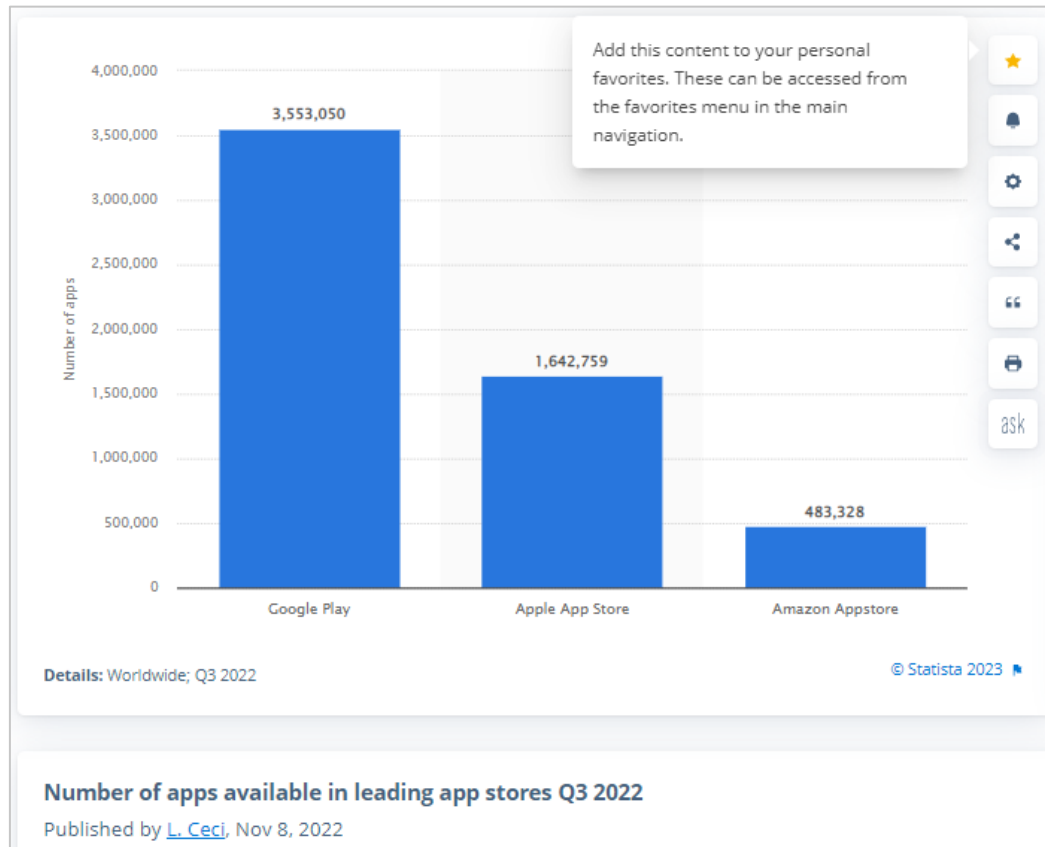

Source, Details & FAQ

In order to provide trustworthy and transparent data, you will always find a proof of origin with a **link to the original source** under Sources. Furthermore, you will always find the **date of publication** and a short info text below the statistics.

Under Details you will find further important information, for example if the statistic has an asterisk (*). Our FAQ will then give you further important information, such as your **100 - percent right to publish the data**.

Briefly explained: Statistics

In Depth: Favorite function

Mark statistics as favorites to easily find them again

With the function 'Save Favorite' you can mark particularly relevant statistics for your project and quickly find and organize them under your favorites management.

Create and manage favorites

On any statistics page, **click the button with the star symbol.**

After successful addition, the star is displayed **in yellow**. In addition, the entry in the context menu is marked as a **green checkmark** in the favorites folder.

These can be accessed via the **favorite's menu in the main navigation**. The entry can be removed by clicking the button again or in the favorites folder.

In Depth: Favorite function

Organize your results in your own collections

If you are researching several topics, Statista offers the possibility to structure favorites into folders. Under the function '**Collections**' you can create your own statistics collections, catalogued by folders and chapters. Your PPT presentation is generated ad hoc and sent to you by e-mail.

The screenshot displays the 'Manage Favorites' interface. On the left, under 'MY FAVORITES', there is a list of folders: 'Favorites', 'Medien Deutschland', 'Automotive Leasing', and 'Test'. The 'Test' folder is selected and highlighted. Below it, two chapters are listed: '1. test 1' and '2. test 2'. At the bottom left, a blue button labeled 'Create new collection' is circled in blue and marked with a '1'. In the center, the 'CURRENT COLLECTION' section shows a text input field with 'Test' and a 'Rename' button. Below this, the 'CHAPTER OVERVIEW' section lists the same two chapters. At the bottom of this section, there is a text input field for 'Chaptername (max. 80 characters)' and a 'Create Chapter' button. A green button labeled 'Create presentation' is circled in blue and marked with a '5'. On the right side of the interface, there is a section marked with a '4' showing the contents of the selected collection.

- 1 Click on the '**Create new collection**' button in your account's Favorites section.
- 2 A dialog box will then appear, into which you can **enter the name of your new collection**. Confirm by clicking OK.
- 3 The Collection will then be created and selected. A **Chapter** will directly be created for you to structure your research.
- 4 On the right-hand side of the page, you can see the contents of the Collection.
- 5 Create your own presentation from bookmarked statistics by clicking on "**Create presentation**".

Briefly explained: Market Insights

Use Case: [Market Insights: Digital](#)

The screenshot shows the Statista Market Insights interface for 'Smart Home - Worldwide'. The title 'Smart Home - Worldwide' is circled in blue. Below it, a 'Worldwide' button is highlighted. The navigation bar includes 'HIGHLIGHTS', 'MARKET DEFINITION', 'IN-SCOPE / OUT-OF-SCOPE', 'MARKET STRUCTURE', 'REPORTS', and 'METHODOLOGY'. The 'HIGHLIGHTS' section contains a list of bullet points. A dropdown menu for 'Worldwide' is open, showing a list of countries including Albania, Algeria, Angola, Argentina, and Armenia. A 'Currency' dropdown menu is also open, showing 'USD (US\$)'. Below the currency menu, there are 'Cite' and 'Share' buttons, both circled in blue. The 'REVENUE (2023)' section shows 'US\$139.30bn' and the 'REVENUE CHANGE (2023)' section shows '18.5%'.

Highlights

Here you will find a brief **overview of the most important factors** relating to the selected market.

Market definition

Get a detailed **description of the market** and an explanation of the methodology.

In-Scope/ Out-Of-Scope

In order to **delineate the market data**, you will find a brief overview of which factors were included and which were not.

Reports

For further information on the market, you can **download the relevant study** here.

Currency

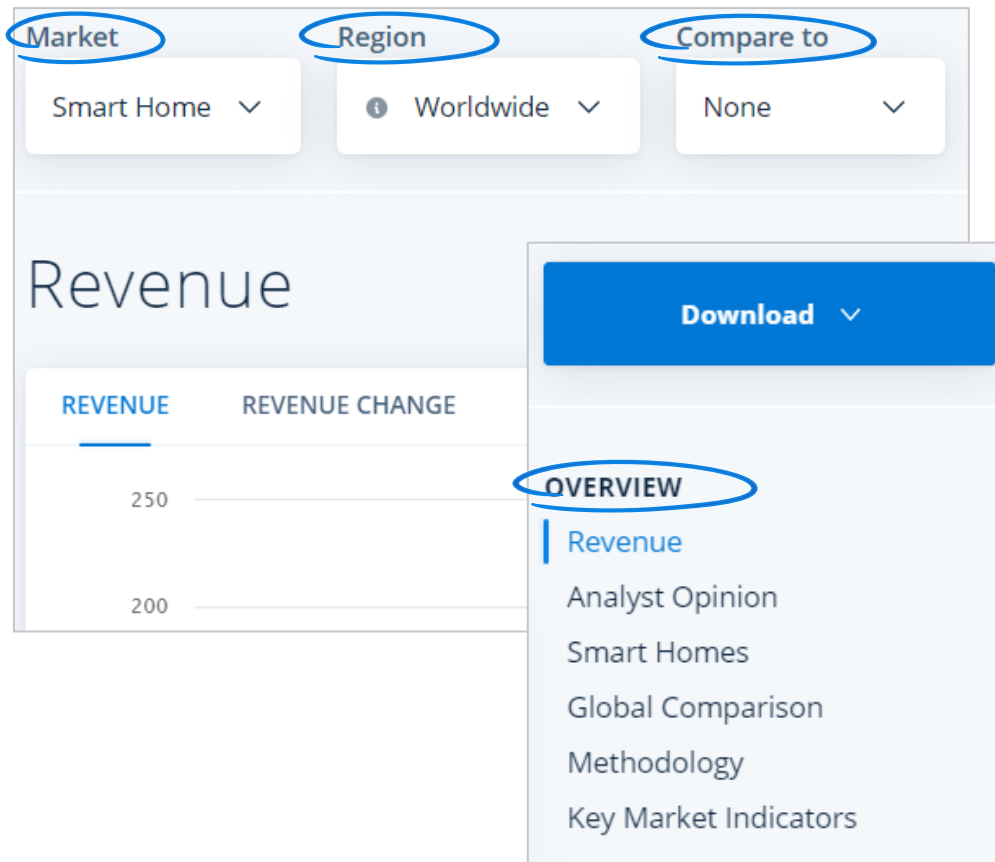

Easily **switch between the ten currencies** and facilitate your analysis with international comparability.

Cite & Share

Have the **citation generated** in the most common formats or **share** the entire data with your colleagues **via e-mail**.

Briefly explained: Market Insights

Use Case: [Market Insights: Digital](#)

Market

You can easily switch **between the markets of the Digital Market** as well as re-select the markets. The entire data sheet will update accordingly.

Region

We offer **over 150 countries** and political regions as well as continents for you to choose from.

Compare to

You **can choose between 37 regions and over 150 countries** for your personal comparison. You can add four additional regions to your analysis.

Download

All data bundled as an **Excel download is available with just one click**.

Overview

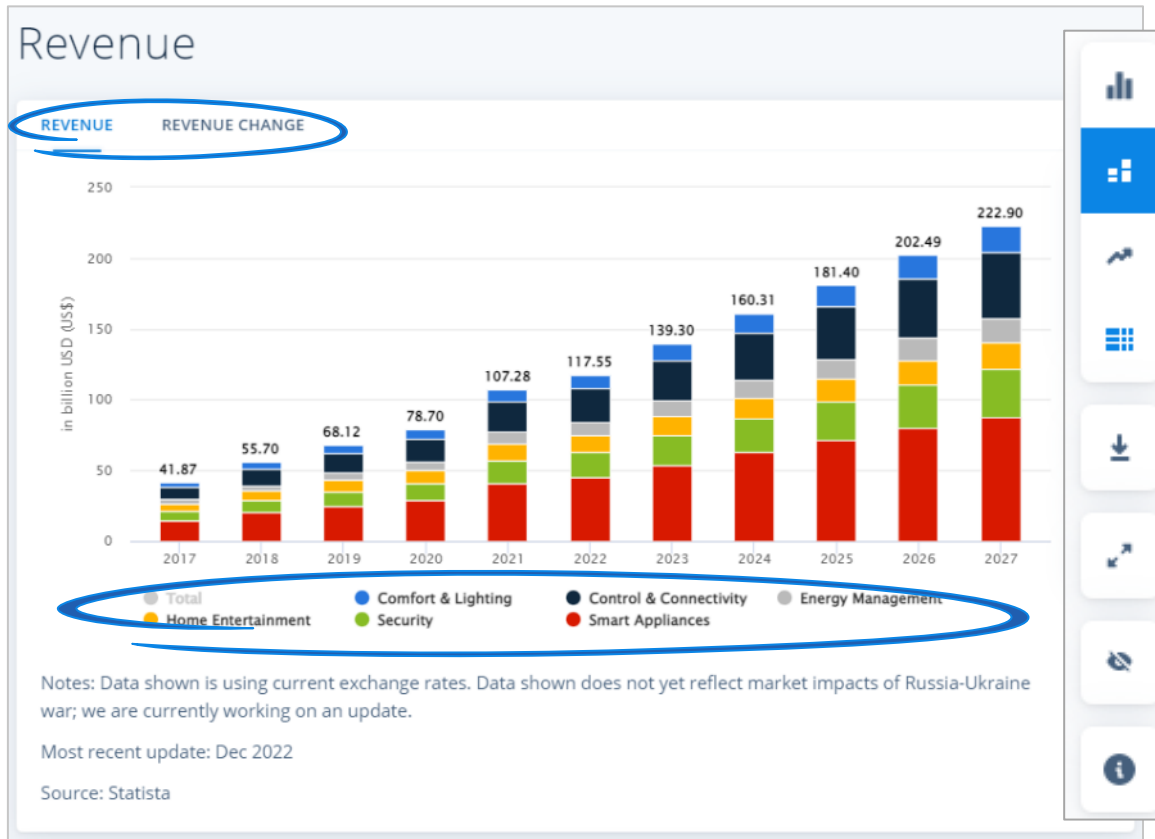

Let us guide you through the data sheet or click directly on a **market of your choice** in the overview.

Global Comparison

Compare 150 countries and get the **top 5** immediately. In the table view you get the forecasts for all countries (also available as Excel download).

My Account

Personal account and search history

Retrieve recently viewed content directly without having to re-run the search for it.

After logging in, go to the navigation item "My Account" and select the sub-item Personal History. Via the search history, search queries that have already been carried out, including all set filters, can be carried out again.

The screenshot displays the 'My Account' interface with the 'History' tab selected. On the left, under 'Viewed statistics', there are four charts: 'Facebook: number of monthly active users worldwide 2008-2021', 'Number of vegans in Great Britain 2014-2019', 'Health concerns about becoming vegan in the UK as May 2018, by gender', and 'Vegans: share of population in Great Britain 2014-2019'. The main area shows a 'Search history' list with queries like 'ecommerce', 'companies', 'biggest companies', 'vitamins', 'Vegan Society', 'vegan', and 'energy' across different dates. A dropdown menu for 'My Account' is open on the right, with 'Account History' circled in blue. The menu also includes 'Product-type: Enterprise Account', 'Account Details', 'Contact Details', 'Manage Favorites', 'Purchased reports', 'Help Center' (marked as NEW), and 'Logout'.
